The section below summarizes the changes made to West Virginia's Community Development Block Grant- Disaster Recover (CDBG-DR) Action Plan approved by the U.S. Department of Housing and Urban Development in May 2017. This announcement provides a non-substantial, technical change to the initial Action Plan specifically budget reallocation from the Restore Riverview Offsite Project to the Multifamily Rental Housing Program. This Non- Substantial Amendment will maintain the overall rental program budget and the same National Objective. The following is documenting the Non-Substantial Amendment:

NON-SUBSTANTIAL AMENDMENT TO THE CDBG-DR ACTION PLAN			
Previous Page	New Page	Section	Change/Addition/Deletion
99		VI. Programs	MULTIFAMILY RENTAL HOUSING PROGRAM: Increase activity budget by \$4,500,000.00 to develop additional rental units for low-to-moderate income persons.
106			RESTORE RIVERVIEW OFFSITE: Decrease activity budget by \$4,500,000.00. The eight offsite units will be completed with mostly Neighborhood Stabilization Program funds.

The State will be working on a substantial amendment to address some benefit changes for applicants in the single-family housing programs that will be made public by Tuesday, May 26, 2020. At that time, this budget reallocation for multifamily rentals will be updated throughout the Action Plan.
