Non-Substantial Amendment for

Technical Changes **Mar 1, 2023**

The section below summarizes the changes made to West Virginia's Community Development Block Grant- Disaster Recovery (CDBG-DR) Action Plan approved by the U.S. Department of Housing and Urban Development in May 2017. This announcement provides a non-substantial, technical change to the Action Plan Substantial Amendment 8, specifically to include the ability to use CDBG-DR funding to leverage CDBG-Mitigation projects. All leveraged projects must still meet the eligibility requirements for CDBG-DR such as tieback to the disaster, designated disaster locations, and national objectives which may include area benefit . This Non-Substantial Amendment will maintain the same national objectives for each program. The following is documenting the Non-Substantial Amendment changes along with minor budget revisions.

NON-SUBSTANTIAL AMENDMENT TO THE CDBG-DR ACTION PLAN

Section	Change/Addition/Deletion
Sources of funding to be leveraged and CDBG-DR Award	ADD: Page 79 HUD CDBG-DR The Department of Housing and Urban Development has awarded West Virginia approximately \$149 million in CDBG-DR funds. West Virginia’s CDBG-DR Award will address remaining unmet needs existing even after assistance provided by other federal and state sources. These funds will focus primarily on housing activities including housing repair, replacement, reconstruction and assistance to landlords within the most impacted and distressed areas. Remaining funds will support the removal of flood damaged, dilapidated structures, community and economic development projects, and leverage CDBG-Mitigation projects.
Total Leverage Funding	ADD: Page 81 The State intends to spend the remainder of its award on flood damaged structures, economic development infrastructure, leveraging resiliency projects with direct tieback to the disaster, planning, and administration.
